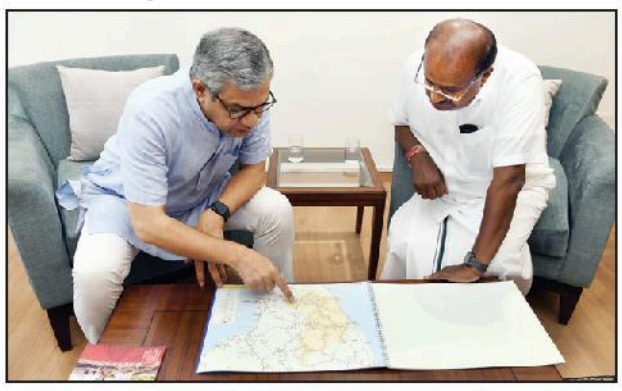
Mysuru-Chennai BULLET TRAIN

to be completed on schedule

H.D. Kumaraswamy meets Ashwini Vaishnaw to speed up pending Railway projects in Karnataka



Bengaluru, June 20 (KMS & BCT)- Union Heavy Industries Minister H.D. Kumaraswamy (HDK) met Union Railways Minister Ashwini Vaishnaw at Rail Bhavan in New Delhi on Wednesday to push for key projects, notably the Chennai-Mysuru High-Speed Rail Corridor (CBM Bullet Train), Bengaluru-Sathyamangalam-Chamarajanagar railway line via the Kanakapura-Malavalli route.

The Railway Minister assured Kumaraswamy that all the critical Railway projects of Karnataka will be completed as per schedule. Discussing the projects for more than an hour, Kumaraswamy detailed his extensive consultation with the Minister, expressing satisfaction with Vaishnaw's commitment to addressing Karnataka's railway needs.

Bharatanatyam recital by Vidu. Surabhi Bharadwaj

Mysuru, June 20- Ganabharathi, Mysuru, has organised a Bharatanatyam recital by Vidu. Surabhi Bharadwaj (San Fancisco, USA) and her students Aditi, Kruthika Sarthavalli and Sanvi Veerabhadra on June 21 at 6 pm at Veene Seshanna Bhavana, Adichunchanagiri Road, Kuvempunagar, Mysuru.

The programme is organised in memory of Gowri Mirle and is sponsored by Ratna Vishwanath.

The artistes will be accompanied by Harshitha Vidya on vocal, Vid. D.V. Prasannakumar on natuvanga, Vid. Vinay Nagarajan on mridanga and Vid. Pradesh Achar on violin.

Vidu. Surabhi Bharadwaj

Profile

Bharatanatyam artiste Vidushi Surabhi Bharadwaj, originally from Bengaluru, is currently based in San Francisco.

Practicing dance for a few decades now, she has established Siddi Creative and Siddi Dance Academy in Dublin and has been teaching Bharatanatyam to more than 90 students.

She was trained under various Gurus such as Sarvashree M.K. Raman, Radha Sridhar, Bhanumathi and Mavin Khoo.

Vidushi Surabhi obtained her M A degree under guru Dr. Padma Subrahmanya.

She has also obtained M.F.A. degree from Saint Mary's College, California, according to C.G. Ravishankar, EC Member, Ganabharathi.

EDITOR'S BOTTOMLINE

The Bhagavad Gita states that the Lord does not take the virtue or sin of any; knowledge is enveloped by ignorance and thereby, beings are deluded (5.15). Our scriptures clearly say ignorance is the problem and knowledge of the Self is the only solution.

When ajnan, unawareness, is removed, there is nothing more to be done. Everything is clear, like daylight. Ignorance is like night; when it passes, you are in the daylight of enlightenment. Sometimes, we see thick mist enveloping a garden. If we try to grab it, nothing comes into our hands. It is not a wall; we can walk through it. Still, it obstructs our vision and hinders our progress. The mist continues till the bright sunlight emerges. Thereafter, it evaporates. Similarly, this inexplicable ignorance causes troubles and endless sorrows in our consciousness. It can be dispelled only by the flash of Self-knowledge.

As a child, one looks, touches, tastes, smells and listens to the sound, which is a word naming the object being perceived. In this way, ignorance is shed and knowledge is gained, first of forms and names, then of colour and other related attributes. Later, finer distinctions, including shades of colour, various sizes and shapes, become apparent.

Ignorance is present in every individual; it is like a dark place where the light of knowledge is essential. It is a cause of bondage and will disappear, just as a solitary lamp dispels darkness in a dark room.

—V. Balasubramaniam in The Times of India

NEWS SPARKLERS

Hairdresser has ball-like fingertips

Nagoya: Shogo Yoshida, a young hairdresser from Nagoya in Japan, suffers from a genetic condition that causes his fingertips to swell up like ping-pong balls, but he has managed to turn this physical defect into an asset.

Yoshida, who goes by Bachi Yubi-san (Mr. Drumstick Fingers) on social media, started attracting attention in Japan in late 2022 by posting photos and videos of his deformed fingers on social media. The feedback wasn't always positive, as some called his hands 'gross' or 'grotesque' and scolded him for trying to make money off of his disability, but the young Japanese man had been used to criticism for a long time. Ever since he was diagnosed with pachydermoperiostosis (PDP), a rare genetic condition that caused his fingertips to swell up like small balls, Shogo Yoshida had to face the ridicule and disgusted looks of his peers, but as he grew older, he learned to manage his uniqueness and turn it into something positive.

Supermarket implements 'extra-slow checkout'

Tokyo: A Japanese supermarket that implemented an extra-slow checkout where customers are never rushed recently reported a ten percent increase in sales.

Many customers feel pressured to pack their groceries and pay as quickly as possible, so as not to hold up the line too long. Unfortunately, some people just can't be that fast, making them feel guilty about moving too slowly. However, one supermarket in Japan seems to have solved the problem with an extra-slow checkout register where people can spend upwards of 20 minutes without feeling pressured. The experimental register has become so popular that the supermarket credits its implementation for a 10 percent increase in sales.

REALLY...?

- *A single Canada Goose bird has between 20,000 and 25,000 feathers. The vast majority of those feathers are short, stubby down that helps insulate the bird from cold water and freezing temperature.*
- *To keep the feathers in top condition, they are all replaced every year through a process called molt. The feathers of the head and body are molted gradually over a period of months, but flight feathers of the wings are all shed at once in late summer, causing the goose to be grounded for three to five weeks.*

VOICE OF THE READER

Railway accident

Demanding Minister's resignation unjustified

Sir,

There is a tradition in our country that whenever rail, road, air or other accidents occur, the Ministers concerned are put in the dock and demands are made for their resignation as if these tragedies happened at their behest. No one can deny that any accident resulting in loss of life and property is unfortunate and agonising. That is why it is called 'accident.'

However, we must also examine the factors responsible for these accidents: Sudden failure of the mechanical system, tracks being sabotaged or explosives planted by terrorists, signal failure or any other human error.

The Minister concerned is not an omnipresent being who can personally oversee everything.

While the Ministers and their associates can be held accountable if there are delays in relief and rescue operations or if the respective officials fail to reach the site for assistance, blaming them solely for the accident itself would be unjustified.

We need to look at the root causes behind these accidents instead of making knee-jerk reactions and demanding resignations. A comprehensive inquiry and efforts to strengthen safety measures would be more prudent.

— Dr. Shiban Krishna Raina
Bengaluru
17.6.2024

NOTE: *This trend of demanding Railway Minister's resignation began when Lal Bahadur Shastri submitted his resignation voluntarily following a railway accident when he was a Railway Minister in Prime Minister Nehru's Cabinet.*

*Those were different times and of different political values. Lal Bahadur Shastri resigned purely on moral grounds though there was no need for him to resign on legal or political grounds. In fact, Nehru wanted him to withdraw the resignation which, of course, he did not.—**Editor***

Forensic Science Labs: Crucial tool in crime detection, Court decisions

Mysuru, June 20 (BCT)- Forensic Science Labs (FSLs) and their advanced techniques are increasingly instrumental in solving disputes, murders and civic or criminal complaints, said S.K. Krishna Raju, Retired Deputy Director of the Regional Forensic Science Laboratory (RFSL) in Police Department.

He shared these insights during a recent lecture organised by the Elder Citizens Council in Jayalakshmipuram here.

Krishna Raju, who has extensive experience working in Forensic Labs and DNA centres in Bengaluru, Mangaluru, Belagavi, Davanagere and Mysuru, highlighted the significant role forensic reports play in aiding Police investigations and Court judgements in India. He has also served as Hon. lecturer at Police Academy and as a lecturer at Mysore University for PG students in Forensic Science.

FSLs in India date back to 1957, when the first lab was established in Kolkata. With the rise in crime rates and increasing complexity of criminal cases, the Police and Courts increasingly rely on forensic reports to uncover truth and ensure accurate judgments, he noted.

Guest speaker S.K. Krishna Raju** (second from left) **being felicitated with a memento by Elder Citizens Council team.

These reports are crucial in providing convincing evidence, thereby preventing punishment of innocent individuals. Forensic Department operates round-the-clock, taking the lead in crime investigations as a responsible and essential entity, he added.

Tests and applications

Krishna Raju elaborated on various forensic tests and their applications in crime investigations including DNA analysis that determines disputed blood relationships, lie detection and forensic psychology that uncovers the truth from suspects through psychological evaluation and brain mapping and narco analysis that extracts information from the subconscious mind through injections and repeated questioning.

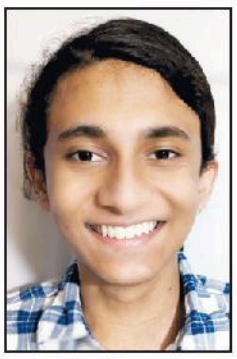
He also dealt with handwriting analysis that assesses death notes, threatening letters and forgery cases, counterfeit detection, fingerprint analysis that establishes the cause of death in murder cases and detects poisoning attempts through diatom tests, hit and run cases, voice analysis, LTM Impressions verification that checks authenticity in property transfer complaints.

Krishna Raju emphasised the need for public awareness about FSL activities to expedite crime resolution in Courts.

Dr. H.M. Nagaraju, Council President, presided.

Kodava boy excels in National, State-level entrance exams

Mysuru, June 20 (BCT)- Kodava boy Tathanda Gautham, a student of Sri Chaitanya Techno School, Bengaluru, has secured remarkable results in several prestigious National and State-level entrance examinations.



Gautham

Gautham achieved an impressive All India Rank of 210 in the JEE Advanced 2024, clinched the top position with All India Rank 1 in the Indian Statistical Institute entrance exam 2024, and secured 32nd Rank in the Common Entrance Test (CET) for Engineering.

Additionally, he obtained the 30th rank in CET for B.Sc Agriculture and 72nd in CET for B-Pharma in Karnataka State.

The JEE Advanced is a highly competitive exam for admission to the prestigious Indian Institutes of Technology (IITs).

His academic journey was supported by coaching from Sri Chaitanya Techno School where dedicated teachers guided him through the rigorous preparation process. Gautham adhered to a strict daily routine, allocating time for all subjects, revising theory and practising problems consistently.

Gautham plans to join the Bachelor of Science (Research) programme at the Indian Institute of Science (IISc.) Bengaluru, where he aims to pursue a career in research and Pure Sciences. IISc., is one of the most esteemed research institutions in the country.

Hailing from Kukloor village near Virajpet, Kodagu, presently Gautham resides in Bengaluru with his parents — Tathanda Vikram Bheemaiah and Dechamma (Monnanda).

He is the grandson of Tathanda Bheemaiah and late Sharada Bheemaiah, who is settled in Vijayanagar First Stage, Mysuru and Monnannda Ponnappa and Ravi Ponnappa couple, also of Kukloor village.

CM must drive on this road for quality check

A stretch of Mother Teresa Road connecting KSRTC Sub-Urban Bus Stand riddled with potholes, craters

Mysuru, June 20 (BLU&BS)- Next time Chief Minister Siddaramaiah visits the city, he should drive over a stretch of Mother Teresa Road (part of Bengaluru-Nilgiri Road) leading to the KSRTC Suburban Bus Station to gain first-hand experience of the bumpy and potholed conditions that severely inconvenience vehicle riders, urge the public.

Epicentre of the problem is particularly from Wesley Church Junction to Malabar Gold, near the Heritage Arch Gate, where the road surface has worn out and developed potholes, craters, highlighting the lack of maintenance by Mysuru City Corporation (MCC). Imagine, if an expectant mother travels on this road, she is likely to deliver in public due to the road's pathetic condition.

Both inter-district and inter-State buses use this road because of the nearby bus station, operating round the clock. Buses carrying passengers to places outside the district, such as Bengaluru, Belagavi, Kalaburagi and Belagavi, as well as other States like Kerala, Tamil Nadu, Pondicherry and Maharashtra, travel this route.

The high volume of passengers exacerbates the inconvenience, but it seems no one cares. Previously known as B.N. Road, it connects to the Nilgiris in Ooty, Tamil Nadu.

Unlike other main roads, this stretch is quite narrow and the addition of a road divider has worsened the situation for vehicle users. With potholes dotting the surface, any minor negligence by vehicle riders can lead to accidents, as they cannot avoid accidents. This caution applies to all vehicles, including cars and buses. As a result, minor accidents have become common, say roadside vendors.

The substandard underground drainage (UGD) work is blamed for the mess, as the road gradually caves-in due to the movement of heavy motor vehicles (HMVs) like buses. Besides vehicle riders, pedestrians who use this road are always vulnerable to accidents.

The only solution is to ensure quality work when constructing the UGD network, manholes, footpaths and road asphalting. However, with MCC's reputation for poor-quality work, such inconveniences are bound to occur, according to the public.

Wild elephant found dead in Nagarahole Forest

Mysuru, June 20 (SPN&KS)- A wild elephant, aged about 30 years, was found dead at Antharasanthe Wildlife Range in Nagarahole Tiger Reserve on June 17. The Forest staff, who were on their regular patrol at Antharasanthe Range, found the dead elephant on June 17 at about 2 pm and informed the higher officers.

Metikuppe Sub-Division ACF and Antharasanthe RFO D. Bharath and staff, who reached the spot, conducted an inspection and as it had got dark, camera traps were installed around the dead elephant.

On June 18 (Tuesday), H.D. Kote taluk Chief Veterinary Officer Dr. B.B. Prasanna visited the spot and conducted post-mortem in the presence of Forest officials and gave the report stating that the elephant had died of natural cause. As per the procedure, the body of the elephant was left at the spot. As per instruction from DCF Harshakumar Chikkanaragunda, Hunsur Wildlife Sub-Division ACF, Veterinarian Dr. B.B. Prasanna, RFO D. Bharath and others were present.

Bandipur beckons with greenery, wildlife

Mysuru, June 20 (MTY&KS)- After a severe drought, lack of rain and extensive heat, the Bandipur Tiger Reserve, which had dried up, has now turned lush green following recent rains, beckoning visitors to witness abundant wildlife.

Due to abnormal weather conditions over the past two years, there has been a significant shortage of rain in the region. This led to the forest area drying up and causing wild animals to migrate to cooler places within the forest core area.

As a result, visitors rarely saw wild animals and tiger sightings became infrequent. There was also a heightened fear of forest fires, creating a tense situation among the forest staff.

Following the recent rains, the weather has cooled and the forest has turned lush green in just 15 days. The area, which was dry even in April and the second week of May, is now fully green with trees and plants sporting new leaves and flowers.

The water holes in all 13 zones of Bandipur Tiger Reserve are now filled, attracting wild animals such as elephants, gaurs, deer and other herbivores, which used to migrate to the backwaters of Nugu and Kabini Dams during the summer. Tourists on safari can now witness large numbers of wild animals, including tigers, leopards and elephant herds with calves.

With ample water, food and fodder available, the wild animals have remained within the forest, delighting tourists who now see the animals playing joyfully. This has also increased tourist footfall in Bandipur, with students visiting with their parents to observe the lively activities of the wild animals.

Water bodies are full and there is enough food for wild animals. After hot summer, abundant rains have filled all water bodies inside Bandipur. Now, there is no shortage of drinking water for the wild animals and the forest area has turned green. Tourists on safari can now see herds of elephants, bison, deer and other wild animals along the safari routes, making their visit enjoyable, said S. Prabhakaran, Director, Bandipur Tiger Reserve.

BJP women fete MP Yaduveer

Mysuru, June 20 (GA&DM)- Mysuru-Kodagu BJP MP Yaduveer Wadiyar was felicitated by the City BJP Mahila Morcha at the BJP Office in Chamarajapuram here on Monday.

Speaking on the occasion, Yaduveer thanked the party workers for their support and toil in the LS polls. Dedicating his victory to Goddesses Chamundeshwari and Kaveramma, Ayodhya Balak Ram and the party workers, he said that the BJP Mahila Morcha is playing a key role in elections for ensuring the victory of party candidates.

Recalling that women members of the erstwhile Mysore Royal family too played a key role in the implementation of many projects/ plans and other welfare measures in the State, Yaduveer wished that the women's wing grow much bigger and bring more laurels to the party.

MLA T.S. Srivatsa, in his address, said that the people visit BJP Office out of trust and goodwill. Lauding the growth of BJP Mahila Morcha in city over the years, he said that the Morcha should be appreciated for holding Pratibha Puraskar for meritorious students who scored high marks in SSLC and PUC.

The MLA further said that while wealth and money can be stolen, knowledge cannot be stolen by anyone.

Ex-Mayor Sandesh Swamy said, Yaduveer has got a good number of women votes in LS polls and we Mysureans cannot ever forget contributions of Maharani Vani Vilasa Sannidhana.

City BJP President L. Nagendra, City BJP Mahila Morcha President Renuka Raju, office-bearers Chandrakala and Mamatha Shetty, former Deputy Mayor Dr. G. Roopa and others were present.

Tomato scores a century

Price of staple vegetable in kitchens at homes and hotels skyrockets to Rs. 100 per kg in city markets

Mysuru, June 20 (PM,GA&BS)- After several months of stability, tomato prices have surged dramatically, reaching Rs. 100 per kg, a significant increase from the Rs. 40 to Rs. 60 per kg range just a week ago. This sharp rise is not only observed in Mysuru but across the State, largely due to a severe drop in supply caused by adverse weather conditions.

The primary reasons for this surge are attributed to the recent heavy rains and the high temperatures experienced earlier in the year. Up until April, the State faced soaring maximum temperatures, which, coupled with high humidity, led to the wilting of many tomato saplings.

This had a detrimental effect on the overall yield. The subsequent heavy rains further damaged the crops, compounding the problem and leading to the current spike in prices.

Farmers from various regions have reported significant losses. Muddegowda, a farmer from Ayarahalli in Bilikere hobli, Hunsur taluk, described the impact of the extreme heat on his tomato plantation. He revealed that a crate of tomatoes, weighing 23 kg, is now being sold for Rs. 1,300.

Chandrashekar from Naganahalli echoed similar concerns, stating that only a fraction of the 5,000 saplings planted survived the harsh conditions, leading to a naturally reduced yield. Furthermore, Kolar district, a major tomato producer, has been hit by a virus affecting the crops, adding to the price hike.

Fakruddin Ali, a tomato vendor at Devaraja Market in Mysuru, noted that over the past three days, the price of tomatoes has reached Rs. 100 per kg, with smaller-sized tomatoes selling at Rs. 80 per kg. This price surge is expected to significantly affect consumers, as tomatoes are a staple in Indian cuisine, used extensively in breakfast preparations, curries and side dishes.

The increase in tomato prices comes amid a rise in fuel prices, further straining household budgets. Consumers are likely to feel the financial pinch as they navigate these combined economic pressures.

Farmers who regularly sell their produce at the M.G. Road vegetable market, which deals in both wholesale and retail, have expressed their challenges. They emphasise the natural consequences of extreme weather on agricultural yield and the compounded issues from crop diseases, urging consumers to understand the complexities behind the pricing.

The dramatic rise in tomato prices is a stark reminder of the vulnerabilities in agricultural production to weather extremes and diseases. As the State grapples with these challenges, both farmers and consumers are feeling the impact, highlighting the need for effective agricultural support and innovative solutions to mitigate such crises in the future.

Australian Consul General visits Mysuru for deeper collaboration

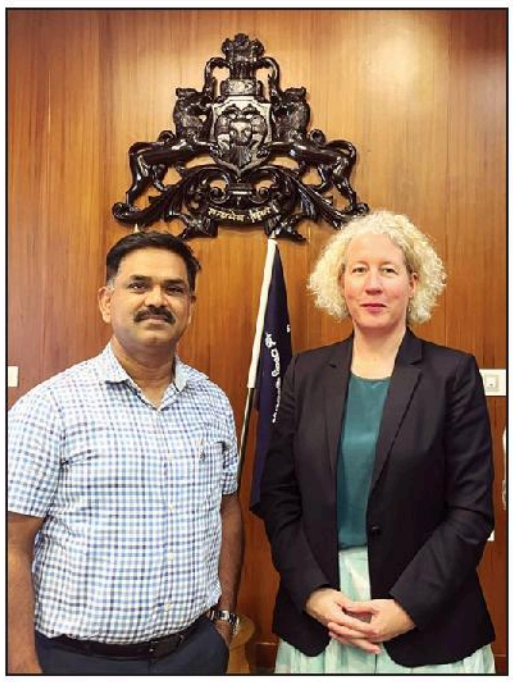
Australian Consul General in Bengaluru, Hilary McGeachy** (second from right) **and her colleague Andrew Collister** (extreme left) **seen with Mysuru City Corporation (MCC) Commissioner Ashaad-Ur-Rahman Shariff and Assistant Executive Engineer Mrithyunjaya at the MCC Office in city yesterday.

Mysuru, June 20 (RK&BCT)- The Australian Consul General in Bengaluru, Hilary McGeachy, Andrew Collister and the team visited Mysuru for the first time yesterday. As part of their visit, they met with Mysuru City Corporation (MCC) Commissioner Ashaad-Ur-Rahman Shariff and City Police Commissioner Ramesh Banoth to strengthen collaboration.

Australia established its consulate in Bengaluru last year under an agreement between the Prime Ministers of both nations, Narendra Modi and Anthony Albanese. The Australian Consul General's visit to Mysuru holds significance as both countries aim to enhance collaboration and exchange of ideas.

Additionally, Australia has a keen interest in Yoga, and Mysuru is renowned as a hub for this ancient practice. Approximately four percent of Australia's population is of Indian origin, with many from South India who have migrated for educational and professional opportunities.

"My team and I are visiting #Mysuru for the first time to deepen collaborations in #Karnataka. Great conversations with @infosys L&D team, @mysurucitycorp Commissioner Asad-ur-Rehman, & @CPMysuru Commissioner Ramesh B. on all things Mysuru! #AustraliaInIndia," Hilary McGeachy posted on her official 'X' handle.



The Consul General also called on City Police Commissioner Ramesh Banoth.

Waste management and tax collection

During their meeting with the MCC Commissioner, the Australian team received insights into various aspects of Mysuru, including its waste management practices, water supply, primary and secondary education, healthcare and literacy. Commissioner Ashaad-Ur-Rahman Shariff and Assistant Executive Engineer Mrithyunjaya elaborated on these topics using a Power Point presentation.

The Consul General showed particular interest in the methods of solid and wet waste collection from households, their disposal processes and the operation of solid and wet waste treatment plants. Mrithyunjaya informed the *Star of Mysore* that the guests were impressed by Mysuru's efficient waste collection and disposal system.

The visiting team also inquired about the grants acquired by the MCC, tax collection goals and overall revenue generation. They expressed admiration for Mysuru's numerous heritage structures and commended the Archaeology, Museums and Heritage Department for its efforts in preserving and conserving them. Mrithyunjaya added that the Australian officials shared insights into civic practices from their cities, which manage large populations.

Following their visit to the MCC, the Consul General and her team paid a visit to City Police Commissioner Ramesh Banoth at his office and also toured the Infosys Global Education Centre at Hebbal.

YAI Junior Nationals 2024 sailing events from Aug. 5

Mysuru, June 20 (KS)- Royal Mysore Sailing Club, in association with Royal Madras Yatch Club and Karnataka State Sailing Association, under the aegis of **Yatching Association of India (YAI)** and respective Class Associations, has organised YAI Junior Nationals 2024 (Ranking Event) sailing events from Aug. 5 to 10 at Krishna Raja Sagar (KRS) backwaters.

The regatta is open to all boats/ boards of clubs affiliated or registered with YAI and the respective Class Associations and whose subscription/ dues are fully paid up and also international participants.

Last date to register for the event is Aug. 3. Competitors and support staff should send the entry forms by e-mail before the last date to ***royalmysore-sailingclub@gmail.com***

Renuka Swamy Murder Case

Actor Darshan's Police custody ends today

Bengaluru, June 20 (Agencies)- Kannada actor Darshan, who was arrested in connection with the murder of his fan Renuka Swamy from Chitradurga, along with other accused persons, will appear before the Court today as his Police custody ends.

Reports from Bengaluru have not confirmed what time Darshan and the other accused would be produced before the 24th Additional Chief Metropolitan Magistrate (ACMM) Court but confirmed that they will have to be produced today as per law.

Sources stated that the Police would not seek their further custody as the investigators have completed all procedures and gathered all documents, materials and evidence in connection with the case, except for the mobile phone of the deceased.

Darshan and his friend Pavithra Gowda have been in Police custody for nine days. If the Court orders judicial custody for all 17 accused, they will be sent to Parappana Agrahara jail.

Medical tests, hair sampling

This morning, all 17 accused underwent medical tests at Victoria Hospital. The tests included measurements of height, weight, and hair circumference, assessments of the presence of natural hair and wig areas on the head, collection of hair samples (both natural and wig) using a comb, blood tests, DNA sampling, and eye examinations.

During the investigation, Police obtained a hair wig sample from Darshan, who wears a wig. The samples have been sent to the Forensic Science Laboratory to determine if the accused were under the influence of any substances at the time of the crime.

Mysuru-Chennai Bullet Train

(Continued from page 1)

The Chennai-Mysuru Bullet Train project is a 435-km proposed High-Speed Rail line that will connect Chennai, Bengaluru and Mysuru through 9 stations in Tamil Nadu and Karnataka.

This is the sixth of six new high-speed rail corridors, planned by the Government of India in 2019, for which basic tendering activity commenced in December 2020 to prepare a DPR towards starting construction work.

Kumaraswamy also discussed Bengaluru-Sathyamangalam-Chamarajanagar railway line via Kanakapura-Malavalli. The ambitious project, initially sanctioned during the tenure of former Prime Minister H.D. Deve Gowda, is poised to significantly enhance connectivity and stimulate economic growth in the region.

"I had a cordial meeting with Ashwini Vaishnaw and we discussed timely completion of delayed and ongoing railway projects in the State, the approval of new railway lines and securing financial assistance," Kumaraswamy stated.

Kumaraswamy also conveyed the importance of realising the vision of PM Modi, emphasising how these railway projects align with broader national development goals.

This meeting marks a promising step forward in tackling Karnataka's railway infrastructure challenges, potentially paving the way for improved transportation and economic opportunities across the State.

DC hears queries at taluk-level Janaspandana programme in city

Mysuru, June 20 (BLU&BS)- The taluk-level Janaspandana programme was held at the premises of new Deputy Commissioner's (DC) office at Siddarthanagar in city this morning.

In his opening remarks, DC Dr. K.V. Rajendra said: "Janaspandana is being organised on the directions of the Chief Minister. The grievances received and steps taken to redress them, should be submitted in detail to the Chief Minister's Office in Bengaluru before July 15. Hence, no officers should take the initiative lightly and work as per the schedule prepared beforehand."

A section of residents belonging to a private layout adjacent to SBM and Other Banks Layout in city, complained to DC Rajendra that, the owner of another layout has raised the concrete wall, thus closing the road leading to their layout with 36 houses. Now they are forced to jump the compound wall to reach their houses.

Following the complaint, the DC directed the MUDA officers to submit a complaint with the Police to file a First Information Report (FIR) against the Housing Society President and Secretary and submit a report within one week.

On the complaints against razing of Government buildings in city, the DC said, the buildings if they are found in a dilapidated condition, will be demolished.

One Ravi complained to the DC that, Vamsha Vruksha (family tree) related to his family has been created on the basis of fake documents to get the khata done.

The DC said: "Such documents are considered valid if they are authenticated by Deputy Tahsildar. If they are found to be illegal, both Deputy Tahsildar and Notary shall be held accountable."

Residents of private layouts near Lalithadripura complained about silt getting deposited in the storm water drain, to which the DC assured to initiate action.

Additional Deputy Commissioner P. Shivaraju, MLA G.T. Devegowda, MLCs C.N. Manjegowda and Vivekananda, ZP CEO K.M. Gayathri and others were present.

Cops fixing cameras at unwanted places: MLA Sait

Mysuru, June 20 (BLU&BS)- KPCC Working President and Narasimharaja (NR) MLA Tanveer Sait took the officers to task, especially for their style of functioning.

Pointing his fingers at Police Department, Sait said: "Police are out to penalise offenders by installing CCTV cameras in city. Strangely, the cameras are installed at those junctions, where they are found to be unviable, while those junctions which require surveillance are left unattended without fixing any camera."

There has been an increase in waste menace in the outskirts of the city, but there is no concrete action to impose fine on the offenders. The Government lands are being encroached upon by the mighty individuals.

"I myself have complained to the Officers about Government lands being encroached upon and the need to protect the land, but the Officers care a hoot. If this is the way of responding to a Legislator's complaint, how can we redress the grievances of a common man," questioned Sait, venting his anguish against the Officers sharing the dais.

Sait said: "Following the upgradation of Local Bodies to City Municipal Council (CMC) and Town Panchayat (TP), the civic authorities are busy collecting the taxes, ignoring development works. Moreover, the officials should be held responsible for the rise in number of illegal layouts."

Under Ashraya Housing Scheme, applications have been called exceeding the number of housing units available and also selected, but the land allotted is inadequate to build the houses, even after collecting the prescribed amount from beneficiary applicants, rued Sait.

NEET UG Admit Cards released

New Delhi, June 20 (Agencies)- The National Testing Agency (NTA) this morning released the admit card for the National Eligibility-cum-Entrance Test - Under-Graduate (NEET UG 2024).

Candidates taking the re-exam can download the NEET UG 2024 admit card from the official website (***neet.ntaonline.in***)

To download the NEET UG re-test admit card 2024, candidates will need to use their login credentials such as application number and date of birth.

Amid the ongoing NEET controversy, NTA will conduct NEET UG 2024 re-exam on June 23 between 2 pm and 5.20 pm of which the results will be announced on June 30. The decision to hold the NEET retest 2024 for 1,563 students, who were granted grace marks, was made in accordance with the Supreme Court order and a recommendation from a High-Powered Committee.

UGC-NET cancelled

A day after conducting UGC-NET on June 18, NTA has cancelled the test on June 19, forcing the candidates to write again afresh. Following complaints of irregularities in UGC-NET, the decision to cancel the test was taken, besides ordering for a probe by Central Bureau of Investigation (CBI) into the complaints.

‘Rail Madad War Room’

for passenger convenience

Mysuru Railway Division cracks the whip on unauthorised travelling in reserved coaches

Mysuru, June 20 (BCT)- The Mysuru Division of South Western Railway has introduced several significant initiatives to enhance passenger travel experiences. Key measures include establishing a ‘Rail Madad War Room’ and regular operational drives to address various passenger concerns. These initiatives are focused on real-time grievance redressal and preventing the overcrowding of reserved coaches by passengers with invalid tickets.

‘Rail Madad War Room’

The ‘Rail Madad War Room’, accessible to passengers via the toll-free number 139 and the Rail Madad apps on Android and iOS platforms, has been developed by the Centre for Rail Information Systems. This centralised database allows for real-time monitoring and resolution of passenger complaints.

From April to June 2024, the division received 5,132 complaints about lost luggage, malfunctioning electrical equipment, unauthorised passengers in reserved coaches, cleanliness in coaches and toilets, passenger amenities, luggage booking and catering services. The Mysuru Division has ensured these complaints are promptly addressed, with action taken reports sent to passengers without delay.

Thanks to these timely interventions, there has been a marked reduction in complaints handled by the ‘Rail Madad War Room’, dropping from an average of 90 complaints on June 9, 2024, to an average of 38 complaints by June 18, 2024.

Measures against unauthorised passengers

Certain trains identified as prone to overcrowding now have dedicated Railway Protection Force (RPF) escorts assisting Ticket Examiners (TTEs) to ensure only passengers with valid tickets occupy reserved coaches within the Mysuru Division. Penalties were imposed on approximately 624 passengers with invalid tickets, resulting in a collection of Rs. 3,48,770 as penalties in a short period.

To further deter unauthorised passengers, joint teams of RPF and ticket-checking staff conduct random inspections at stations and on trains. During the peak summer travel season, the Mysuru Division added about 61 extra coaches of different classes to various trains with over 100 percent occupancy from April 1 until the end of the summer season.

Additionally, 14 special trains were operated to destinations such as Ajmer, Muzaffarpur, Rani Kamalpati, Manamadurai, Hyderabad, Secunderabad, Bijapur, Khurda Road, Varanasi, Bhubaneshwar, Vijayanagar, and Hubballi.

Emphasis on safety & cleanliness

Safety in trains and stations remains a top priority. Supervisors and staff from various departments have conducted regular public awareness campaigns to educate passengers about proper air conditioning temperature settings, the dangers of overloading electrical circuits and the importance of adhering to reservation rules. These efforts have led to a marked decrease in related complaints.

A special cleanliness initiative has been launched across the Division, with particular emphasis on stations like Arsikere, which had previously received frequent complaints. Joint teams of TTEs and RPF staff have been deployed to tackle these issues, resulting in noticeable improvements in cleanliness standards.

Commitment to excellence

Divisional Railway Manager (DRM) Shilpi Agarwal emphasised that the Mysuru Division of South Western Railway remains committed to delivering safe, efficient and comfortable travel experiences to passengers. The challenge of unauthorised passengers remains dynamic, requiring continuous monitoring.

The Division is dedicated to addressing these issues through ongoing public awareness campaigns and strengthened collaboration between RPF, commercial staff and passengers.

These measures are designed to ensure compliance with railway regulations and enhance the overall travel experience for legitimate passengers, continually seeking to improve service quality and passenger satisfaction, she added.

Moonlight Music programme at Suttur Mutt tomorrow

Vid. Bombay V. Anand *Vid. Vedajna Narasimha* *Vid. Anoor Vinod* *Vid. Sunaad Anoor*

Mysuru, June 20- **Vidwan Bombay V. Anand** and **Vidwan Vedajna Narasimha** will present a Violin Duet at the monthly Moonlight Music Programme organised at Suttur Mutt at the foot of Chamundi Hill here at 6 pm tomorrow (June 21).

Vidwan Anand learnt his early music lessons from Borivili Kannan and later trained under Vidushi Gomati and Vidushi T.R. Balamani at Mumbai's Fine Arts Music School. At present he is being tutored by Vidushi A. Kanyakumari, who is teaching the nuances of playing violin and fine-tuning the art.

Vidwan Vedajna Narasimha began showing interest at the tender age of 7 years by getting trained under Vidushi Vaishnavi Anand. He had advanced lessons in music from Vidushi A. Kanyakumari and continued practicing music at Singapore's prestigious School of Arts. He won a prize in violin (Junior) contest held by Singapore's National Arts Council in 2017.

The duo will be accompanied by **Vidwan Anoor Vinod Shyam** on mridanga and **Vidwan Sunaad Anoor** on kanjira.

Vidwan Anoor Vinod Shyam is an acclaimed mridanga artiste who has won many prizes. He has presented many musical concerts in several countries including Singapore, Germany, Mexico, Abu Dhabi and Europe.

Vidwan Sunaad Anoor is an A grade Akashvani artiste and has presented musical concerts in different countries.

Classical Vocal Concert

Vidu. Girija Ravishankar

Mysuru, June 20- Sri Thyagaraja Sangeetha Sabha Charitable Trust has organised a vocal concert by **Vidu. Girija Ravishankar** at 6 pm tomorrow (June 21) at Sri Rama Mandira, Jayanagar.

She will be accompanied on violin by **K. Mahatee,** disciple of Vid. H.K. Narasimhamurthy, on mridanga by senior artiste **Vid. M.S. Jayaramu** and on ghata by **Vid. M.J. Kiran Kumar.**

Artiste's profile: Initiated into Karnatak classical music at an early age by her mother, Vidu. Sharada Ravishankar, Girija later continued her training under Vidu. Dr. R.N. Sreelatha and for the last 16 years, she has been under the tutelage of *Padma Shri* awardee, Sangeetha Kala Acharya, Vid. R.N. Thyagarajan.

Girija has performed in several Sabhas in India, the US, Germany and Switzerland. She has won many State and National Competitions including first prize in a Ragam Tanam Pallavi contest. Awards conferred on her include 'Yuva Pratibha Puraskara' from GoK. She has collaborated with artistes of other genres such as Hindustani classical, Jazz and Arabic and staying abroad, she puts forth efforts to spread Karnatak music there.

K. Mahatee *Vid. Jayaramu* *Vid. Kiran Kumar*

10th International Day of Yoga tomorrow: Theme "Yoga for Self and Society"

More than 10,000 yoga enthusiasts to perform various asanas at Mysore Palace

Mysuru, June 20 (MTY&VNS)- The 10th International Day of Yoga celebrations will witness more than 10,000 yoga enthusiasts performing various asanas between 6 am and 8 am at Mysore Palace premises tomorrow.

The District Administration, ZP and AYUSH have made arrangements for the mega event in which students from about 400 yoga schools and other institutions in the city are expected to take part. Officials were seen monitoring arrangements at the Palace premises today including the erection of the stage and sound systems.

For tomorrow's event, yoga schools in city have instructed students to wear uniforms of their respective schools to make their presence felt at the event.

District Minister Dr. H.C. Mahadevappa, Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar, MLAs T.S. Srivatsa and K. Harishgowda, MLC C.N. Manjegowda and MUDA Chairman K. Marigowda will participate. This apart, Deputy Commissioner Dr. K.V. Rajendra, ZP CEO K.M. Gayathri, MCC Commissioner Ashaad-Ur-Rahman Shariff, City Police Commissioner Ramesh Banoth, SP Seema Latkar, District AYUSH Officer Dr. Pushpa and other district-level officers will be present.

Also, about 400 yoga instructors will be deployed at various blocks to assist yoga enthusiasts perform the asanas including Tadasana, Vrukshasana, Padahastasana, Ardha Chakrasana, Trikonasana, Bhadrasana, Vajrasana, Shashankasana, Makarasana, Bhujangasana, Shalabhasana, Shavasana among others for a duration of 25 minutes. This will be followed by Pranayama, Dhyana and Sankalpa for 14 minutes which includes Kapalabhathi, Naadishodana Pranayama, Sheethali Pranayama, Bhramari Pranayama and Meditation. Prior to performing various asanas and pranayama, yoga enthusiasts will undergo warm-up exercises for about four minutes.

Those participating in the event have been instructed to assemble at the Mysore Palace by 5.30 am tomorrow through Jayarama, Balarama and Varaha Gates.

The authorities have also made arrangements for breakfast, drinking water, mobile toilets among other facilities at the venue for the benefit of the participants. Vehicle parking will be provided in front Varaha Gate, near Gun House and Doddakere Grounds, opposite Jayamarthanda Gate of Mysore Palace.

PM Modi to lead Yoga Day celebrations at Srinagar

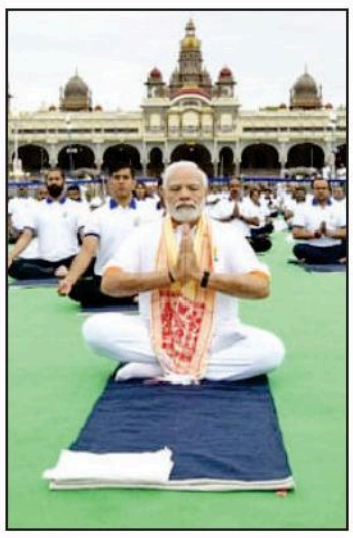
Jammu and Kashmir, June 20 (Agencies) - Prime Minister Narendra Modi will lead the 10th International Day of Yoga celebrations at Sher-i-Kashmir International Conference Centre (SKICC) in Srinagar at 6.30 am tomorrow.

Since 2015, PM Modi has led Yoga Day at various iconic locations, including Kartavya Path in Delhi, Chandigarh, Dehradun, Ranchi, Lucknow, Mysuru and even the United Nations Headquarters in New York.

This year's theme "Yoga for Self and Society" highlights the dual role in fostering individual and societal well-being. The event will encourage grassroots participation and the spread of yoga in rural areas.

Modi, who is on two-day visit to Jammu and Kashmir, will also participate in 'Empowering Youth, Transforming J&K' event at SKICC. He will inaugurate and lay the foundation stone for multiple development projects in the State.

PM Modi will lay the foundation stone and inaugurate 84 major developmental projects valued at over Rs. 1,500 crore. The inaugurations will include projects related to road infrastructure, water supply schemes and infrastructure in higher education etc. Additionally, he will lay the foundation stone for projects like improvement of Chenani-Patnitop-Nashri Section, development of Industrial Estates and construction of six Government Degree Colleges.



He will also launch the Competitiveness Improvement in Agriculture & Allied Sectors (JK-CIP) Project worth Rs. 1,800 crore. The project will be implemented in 90 Blocks across 20 districts of J&K and will have the project outreach of 3,00,000 households covering 15 lakh beneficiaries.

The Prime Minister will also distribute appointment letters to more than 2,000 persons appointed in Government service.

WORD OF THE DAY

Engram

Pronunciation: en·gram.
Meaning: An engram is a unit of cognitive information imprinted in a physical substance, theorised to be the means by which memories are stored as biophysical or biochemical changes in the brain or other biological tissue, in response to external stimuli. a hypothetical change in neural tissue postulated in order to account for persistence of memory.
Origin: The term "engram" was first coined by Richard Semon, who postulated that experiences activate networks of interconnected elements, producing enduring changes that can be reactivated during recall by appropriate external or internal cues (Schacter, 2001, Schacter et al., 1978, Semon, 1923).
Example: Scientists use the term engram to describe the physical process the brain uses for holding a specific memory. —Emilie Le Beau Lucchesi, Discover Magazine, 6 May 2022.

THE ODD WORD

Egad
Mild oath.

PHRASE OF THE DAY

Break the Bank

Meaning: To lose all of your money.
Origin: Not surprisingly, the origin of the phrase "Break the bank" is financial. Scholars believe the term "Break the bank" originated sometime around 1600, when gamblers won more money than the house (bank) could afford to pay. Some place the term's origin closer to 1873, when a roulette playing Englishman named Joseph Jagger won $350,000 (a huge sum for the day) at Monte Carlo.
Example: Having the ocean-view apartment without breaking the bank is the dream.

QUOTE BOX

I would rather die of passion than of boredom.— **Vincent Van Gogh**

RIDDLE THIS

Answer the riddle below:

HILL

Answer: Hillside.

CROSS WORD

ACROSS:
1 Daze, puzzle or confound
6 Libyan city
10 Painting, sculpture, etc
11 Dutch commune
12 Grabbed, grasped or seized
14 Conductor __-Pekka Salonen
16 Cogs with teeth
17 ___ de mer or seasickness?
19 Covered thinly with gold?
21 Age or eon
22 In Greek mythology she was cup-bearer to the gods
23 Ex-English batsman Thorpe
25 Required
27 Poorly lit
28 ____ chi: Chinese exercises
29 A false or assumed name
32 Corporate trust
35 Danger
36 Egg cells
38 Info?
39 Reqd Time of Arr.
40 Anatomical sacs
42 Heavy weight
43 Japanese dish
45 Suffix with "eras" or "past"
46 Forewarning
47 A group of nine - "End Ena" anagram?
48 Badgered constantly

DOWN
1 A rotten person or farm product? (3,3)
2 Udipi snack (6,4)
3 Large vase
4 Male of deer
5 Regard highly
6 Iran's capital
7 Lyrical poems
8 Place to sleep
9 Slew
13 Automobile
15 Schoolmaster's title
17 Pondering, musing or reflecting
18 Abraham's pet name
20 Mull over
22 Listened to
24 Alcott heroine of "Little Women"
26 Greek vowel
29 Reach a point
30 Louse egg
31 Ridiculed
32 Deep gorge
33 WWII area
34 Cut open as surgeon did a boil
37 Roman seven
40 Distinctive air
41 P. Simon's '_ _ _ Rock' (1,2,1)
43 Bring to court
44 Small barrel containing gunpowder, perhaps

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

OLH KXYYHAHIEH RHOTHHI P NPI PIK LXZ JPSHO: OLHM RVOL

ZNVBH OLH ZPNH EXDPAZ, RQO VISM VIH FPMZ YVA OLHN.

TODAY'S CLUE: L EQUALS H

Yesterday's Cryptoquip: Man makes a great fuss about this planet, which is only a ball bearing in the hub of the universe.
